BIOGRAPHY

OPHELIA'S EYE IS A MODERN METAL BAND FROM SWITZERLAND, COMBINING RELENTLESS HEAVINESS WITH EMOTIONAL DEPTH. THE CURRENT LINEUP HAS BEEN PLAYING TOGETHER FOR OVER A YEAR AND A HALF, SHAPED BY NEW ENERGY, MUSICAL MATURITY, AND A CLEAR ARTISTIC VISION.

WITH OUR SECOND ALBUM SEVERANCE, WE TAKE A BOLD STEP FORWARD: THEMATICALLY MORE DARING, MUSICALLY MORE DIVERSE, AND LYRICALLY MORE INTENSE THAN EVER BEFORE.

OPHELIA'S EYE EXPLORES THE DARKEST CORNERS OF THE HUMAN PSYCHE, AS WELL AS SOCIAL INJUSTICE AND THE GROWING SENSE OF DISORIENTATION IN A WORLD ON FIRE.

OUR DISTINCTIVE SOUND BLENDS SHARP-EDGED RIFFS, FAST DRUMS, AND A VOCAL RANGE THAT SEAMLESSLY MOVES BETWEEN RAW AGGRESSION AND HAUNTING CLARITY. CLEAN VOCALS HAVE BECOME AN ESSENTIAL PART OF OUR SONIC IDENTITY, ALONGSIDE TECHNICAL BRUTALITY, AND ATMOSPHERIC DEPTH.

THE NAME OPHELIA'S EYE REMAINS AS A SYMBOL OF A VISION THAT GOES BEYOND WHAT THE EYE CAN SEE.

OUR MUSIC IS A POWERFUL FORM OF EXPRESSION THAT REFLECTS BOTH THE LIGHT AND THE SHADOWS IN OUR WORLD AND ENGAGES EVERY LISTENER WHO EMBARKS ON THIS INTENSE JOURNEY.
